## **FAMILY PHOTOGRAPHY QUESTIONNAIRE**

Please answer these questions so I can become familiar with your family. I want to provide photos that are meaningful and personalised - your responses will help me achieve this. Either complete this document or send the information in the body of an email ([keeta@keeta.com.au](mailto:keeta@keeta.com.au)).

### **YOUR FAMILY**

1: Please introduce your family. Who will I be photographing on the day?

2: How does your family usually enjoy spending time together?

3: Does your family have any special stories or memories?

4: Do you have any special needs that you would like me to be aware of? E.g. medical conditions or cultural preferences.

## **STORYTELLING**

1: Do you know what your family will do during your storytelling session? Please list any family activities or experiences you would like photographed. Alternatively, your day can be completely unplanned.

2: Where should I meet your family at the start of the session?

3: Is there anything you specifically want photographed? E.g. your child's favourite toy.

4: Do you have any questions or concerns about your photography session?

## **PORTRAITS**

1: If you would like portraits taken in addition to your storytelling session, which individuals and or groups would you like portraits taken of?

2: Do you have a preferred location/background for your portraits?
